## CUARTO

### MY TRIP AT MY FARM

María Isabel Restrepo Saldarriaga - 4ºA

"Papa, I don't know what to play here in my farm"

"Play with your dogs" Said papa.

"Ok" I said

I wake up and I go to find my dogs, I find Totto, he is a beagle of 7 years, and Ginbra that is a Labrador of 6 years, but I don't find Kira that is a Rottweiler of 3 years, I ask my mom and papa if they see Kira "I don't see her" said papa. "Me neither" said mom.

I went with my dogs to the stream.

I see a little dog that was running so I go with him.

"I never see this part of my farm, it is very beautiful but I am scared"

"Where can Kira be?" I ask to myself.

The dog stops to running, he was shaking her body. It was scared!

He doesn't know what to do. The little dog starts to run, my dogs where barking, Totto was scared too. I don't know what to do.

Ginebra was crying.

I run faster than my dogs, so I wait for my dogs to come.

The little dog disappears. I return to the part that the little dog was scared, I see Kira but she doesn't seem ok, she had her arm broke at the front of Kira was a wolf, I am scared I went to my farm and said papa "help me, there is a wolf in front of Kira, there was a little dog but he disappeared, I don't know what to do.

My father runs to see Kira and the wolf, he said" ok this is my plan you look for rocks and you throw to the wolf, then I get Kira.

The wolf goes away, papa has Kira

We were looking for help from a veterinarian.

Kira has her arm broken but she is ok. then we go to the farm, I said to papa" Kira is going to be better".
