Magic Ruffus

When I was in bed my clock sounded very loud as if my father was hammering. Sorry, my clock was not sounding; it was my father, hammering.

I didn't introduce myself. I am Emma, a girl that is 10 years old, lives in Germany but was born in Canada.

-Father, what are you hammering?

-My little girl, we are moving to a new apartment called " Magic".

-Why that name daddy?

-I don't know...

-But if we are going to move, what are you hammering?

-Well, candy bar, I'm taking out the screws

Then, my father said:

-One, two, three. One, two, three

Daddy, why do you say one, two, three? - I said

-Oh my girl!, it's a way to say: go to the bathroom fast and put your clothes on.

-Good bye! - I said

When I came back to the house it was snowing but the doorman was there and I asked him:

-Where is my family?

And he answered:

Oh! Your family already moved to the new apartment.

-What did you say? My family abandoned me! How can I get there?

-I don't know - the doorman said.

-Don't stay still! This is not my new house, now I don't live here anymore; if you don't help me I'm going to throw your magazine away!

-OK - said the doorman, I'm going to call a taxi, no problem, look! The taxi is coming...

-Good bye! I said

-Don't speak to me - he said

When I got off the taxi, my father was in the entrance and said:

-Hello my little girl! - He said

-Hello father - I answered furiously

-Why are you angry? - He said

-What do you think? - I said

-I don't know, can you tell me? -he said

-Because you abandoned me in our old house

-Ha, ha, ha - he laughed

When I opened the front door, my father said: I'll come later, bye.

I opened my room's door and there was a hat, so I took it suddenly and I didn't see anything; I put my glasses on and there was a fat, big and happy person saying: thank you for receiving Ruffus! I am Ruffus, the wizard.

-If you can do magic, disappear yourself! -I said

-WOW! You just used your first wish! - Ruffus said

One week later...

-I'm here, I have been here for a long time- Ruffus said

-Good - I said very furious- if you really can do magic, make the new boy in school fall in love with me!

-OK - Ruffus said

The next day, the boy was in love with me. When I went back home, Ruffus was sick, in my bed.

-Why are you sick?- I asked him

- My heart is broken in two - answered Ruffus. My girlfriend, oh no! my ex-girlfriend....

- It's sad but it's OK, now I want you to make every handsome

boy fall in love with me! - I told him

-.....

-Sorry Ruffus! - I said. I am a bad girl, I want a new girl for you!

- Can it be Shakira, please? - Ruffus said.

- OK, I'll make Shakira fall in love with you!

-Thanks Emma, you are a good girl.
